THE COMPLETE ILBS FAMILY.

DEAR ALL,

STAYING IN HOSPITAL IS NEVER A GOOD FEELING FOR ANY PATIENT. NO ONE IN THIS WORLD I SUPPOSE WOULD WISH TO COME TO HOSPITAL. CIRCUMSTANCES LAND YOU IN A SITUATION WHERE IN YOU HAVE TO VISIT HOSPITAL AND THERE IS NO OPTION. I KNEW EVERY SINGLE DAY I WAS IN THE ICU WAS A LOAD FOR MY FAMILY AND ALL THE DOCTORS IN THE SYSTEM. I COULD FEEL EVERYTHING WHILE I WAS THERE IN THE ICU. MY LIVER WAS GONE. DR SARIN SIR VISITING ME EVERYDAY ALONG WITH THE TEAM OF DOCTORS FOR THE NEXT COURSE OF ACTION ON HOW TO PROCEED IN MY CASE AT VARIOUS LEVEL. I WAS YOUR EFFORTS THAT USE TO KEEP ME BELIEVING THAT EVERYTHING IS POSSIBLE. THANKS TO ALL THE NURSING STAFF AND TECHNICIANS WHO PERFORMED MARS & BRAIN MAPPING. I WAS MORE OR LESS AWAKE 20 HRS A DAY BECOZ EVERYTIME I TOOK A NAP OF 30 MIN. MY WAKE UP USED TO PAINFUL AND SEVERE. DR SARIN SIR ALONG WITH HIS TEAM OF DOCTORS MADE MY WILL POWER EVEN MORE POWERFUL. THANK YOU DOCTORS TO GET ME FIT AND ROLLING. YOUR EFFORTS COULD MAKE ME FEEL THAT YOU ARE DOING EVERY BIT FOR ME. I JUST FELT LIKE THANKING YOU ALL I THIS SMALL LETTER. TODAY I'M BACK TO NORMAL. @ COMPLETE ILBS TEAM.

THANKING YOU
